# NIGHT FRIGHT

## Evil Dead

**CULT/HORROR:** Five college friends unwittingly release a horrific curse by reciting an ancient incantation. One by one, the friends are possessed until the film careens to a splattering climax. Directed by SAM RAIMI. **CULT HORROR**—“from medicine men Mr. Raimi and his associates, in the great American show biz tradition” —The New York Times. 89 Mins.

## The Mind Snatchers

**ACTION/HORROR:** Produced by: George Goodman. Directed by: Bernard Girard. Starring CHRISTOPHER WALKEN, RONNY COX, and RALPH MEEKER. Private James Reese (Christopher Walken) is a misfit G.I. stationed in Western Europe whose violent temper has landed him in the stockade more than once; even his girlfriend asks him to seek psychiatric help. Unexpectedly, Reese is driven to a secluded hospital and is assigned to a room with Miles (Ronny Cox), a young American suffering from terminal cancer who also suffers from bouts of aggressive, violent behavior. Slowly, Reese learns the truth: The Army has been using men with anti-social personality disorders as guinea pigs in brain-control research. After one outburst, Miles is treated and becomes a docile, mechanically gratified vegetable. Reese realizes with horror that he may be the next to have his mind “snatched.” 90 Mins.

## Monstrosity

**HORROR/COMEDY:** Produced by Lew Mishkin. Directed by cult-hero Andy Milligan. Stars Haal Borske, Carrie Anita, Michael Lunsford, Joe Balogh and David Homb. Hollywood is a strange and eccentric place in normal times; lately it has been plagued by a series of vicious murders, rapes and other crimes of violence, many graphically perpetrated by the notorious Cole gang. One rape victim is murdered in the hospital. Her boyfriend and his friends set out to avenge her death by building, from spare human and animal parts, (borrowed from medical school and a friendly veterinarian), an avenging MONSTROSITY. Their creature comes to life, uses his awesome strength — after all, he is part gorilla — to wreak mayhem on the Cole gang. He falls in love, and eventually he drops out of society while he tries to decide what to do with his new life. 90 Mins.

## Thou Shalt Not Kill..Except

**ACTION:** Four buddies return home from Vietnam and try to forget the past. But they must join together again when Stryker's girlfriend is abducted by a crazed cult. The killing begins and the blood flows. Starring BRIAN SCHULTZ, JOHN MANFREDI, PERRY MALLETT. Produced by SCOTT SPIEGEL and directed by JOSH BECKER. 83 Mins.

## Torture Dungeon

**CULT HORROR:** Set in Medieval England, this is the tale of the evil and demented Duke of Norfolk's attempts to take over the kingdom by systematically mutilating and torturing his opponents. To make matters worse, he is not above forcing himself on any comely females that have the misfortune to be his subjects! 80 Mins. MPAA “R”.

## Doom Asylum

**HORROR/COMEDY:** Directed by RICHARD FRIEDMAN (“Tales from the Darkside” and Paramount's “Friday the 13th Television Series”) and starring PATTY MULLEN, the 1987 Penthouse Pet of the Year, this tongue-in-cheek horror film is set in a closed-down hospital complex. Famed palimony attorney Mitch Mitchelson and his beautiful lover/client are killed in an automobile crash. Mitch awakens from his coma after the coroner has half autopsied his head, kills him, and lives a haunted existence in the cellars under the hospital. Years later the murdered woman's daughter leads a group of her friends on a picnic on the hospital grounds, and they and a punk rock group are systematically murdered in various gruesomely amusing ways until only Mitch and the daughter are left. 90 Mins.

## Killing Spree

**HORROR:** A young newlywed unjustly believes his wife to be having sexual encounters with their suburban neighbors and visitors. His fantasies become reality in his deranged mind, and he launches a methodical and highly inventive campaign to murder the “lovers,” utilizing such unexpected devices as a killer ceiling fan, an ordinary screwdriver, and a lawnmower to wreak his revenge. Unfortunately for him, his victims, so wrongfully eliminated, will not stay peacefully dead. They too want revenge, and they are entitled to it. Directed by Tim (TRUTH OR DARE) Ritter. 90 Mins.

## Escape From Bad Girls Dormitory

**ACTION THRILLER:** The inmates of a juvenile reformatory must conquer more than their past and lose more than their virginity. Stars CAREY ZURIS, TERESA FARLEY, NATALIE O'CONNELL, RICK GIANASI. 95 Mins.

## Giant Claws

**SCIENCE FICTION THRILLER:** Marine biologists on a tropical island face destruction of their world by one of their creations. Special effects by GLEN (KING KONG) ROBINSON. Stars ROBERT LANSING, BARRY NELSON. 92 Mins.

## Blood Harvest

**HORROR:** Directed by: Bill Rebane. Starring Tiny Tim, Itonia, and Dean West. Beautiful Jill Robinson returns to her peaceful rural home town only to find that her life has been turned upside down. The home she grew up in has been defaced, her parents are missing and the whole town hates her father. Her father was the bank supervisor who had foreclosed on many of the local farms. Only “Marvelous Mervo” (Tiny Tim) seems to be happy to see her. Marvelous Mervo wanders around the community dressed in a clown suit with a clown's permanent grin grotesquely painted on his face. Mervo's brother tries to re-ignite his love affair with Jill. Then, one by one, those closest to her are slaughtered like cattle...tied upside down from the rafters of the old barn with their throats slit. The killer stalks Jill until the surprise ending reveals the real madman... and a very unlikely savior. 90 Mins.

## Night Feeder

**HORROR:** A young woman's inadvertent use of an experimental drug during pregnancy has caused her to give birth to a mutant that can only live on human brain tissue which it drains from bodies freshly-killed by its mother by inserting its proboscis-like scaly tongue into their eye sockets. The series of truly bizarre murders in San Francisco's bohemian district baffles a Police Detective assigned to the case, although he does manage first to suspect, and then to fall in love with, a beautiful photographer who lives in the area. The awful truth is eventually discovered by the photographer as she lies hopelessly on the floor, about to become the next victim of the mutant. The outstanding rock music score by The Nuns is exceeded only by the truly outstanding special effects.

## Death's Fury

**SUSPENSE:** When detective Molly Griffin goes undercover at the local high school, she discovers more than just sex, drugs and rock & roll. Rape, murder and a secret vigilante sisterhood called the Fury are all part of what makes up student life at Lincoln High. Led by a psychotic beauty, the Fury operate under cover of darkness, brutally eliminating known drug dealers and the star quarterback suspected of raping several students. But, when the fury stakes out a big drug deal, what they don't know is that they might be killing a cop. (94 Minutes)

## Creepshow

**COMEDY HORROR:** The most fun you'll ever have being scared: five episodes by the two modern masters of horror. GEORGE ROMERO & STEPHEN KING. Stars HAL HOLBROOK, ADRIENNE BARBEAU, FRITZ WEAVER, LESLIE NIELSEN, CARRIE NYE & VIVECA LINDFORS. 117 Mins.

## Orphan

**PSYCHOLOGICAL THRILLER:** In an attempt to escape his miseries, a 10-year old orphan's nightmares spill over into the everyday world and overwhelm him. He retaliates in a chilling way. Starring JOANNE MILES, PEGGY FURY & MARK OWENS. 88 Mins.

## Don't Open Till Christmas

**HORROR:** A series of bizarre murders and a mysterious inspector in love lead to the surprise package that you must not open. EDMUND PURDOM, BELINDA MAYNE, GERRY SUNQUIST star in this horror thriller. 88 Mins.
