

to take over where Cronenberg and Romero leave off. The kind of captivating, rollercoaster energy that typified Hollywood at it's greatest. ... No horror fan should miss it." (Northamptonshire) Evening Telegraph

"The most ferociously original horror film of the year... A black rainbow of horror." Stephen King — Author of 'The Shining' and 'Carrie' **"The Evil Dead" is to horror films what 'Airplane' was to disaster movies."** Video The Magazine

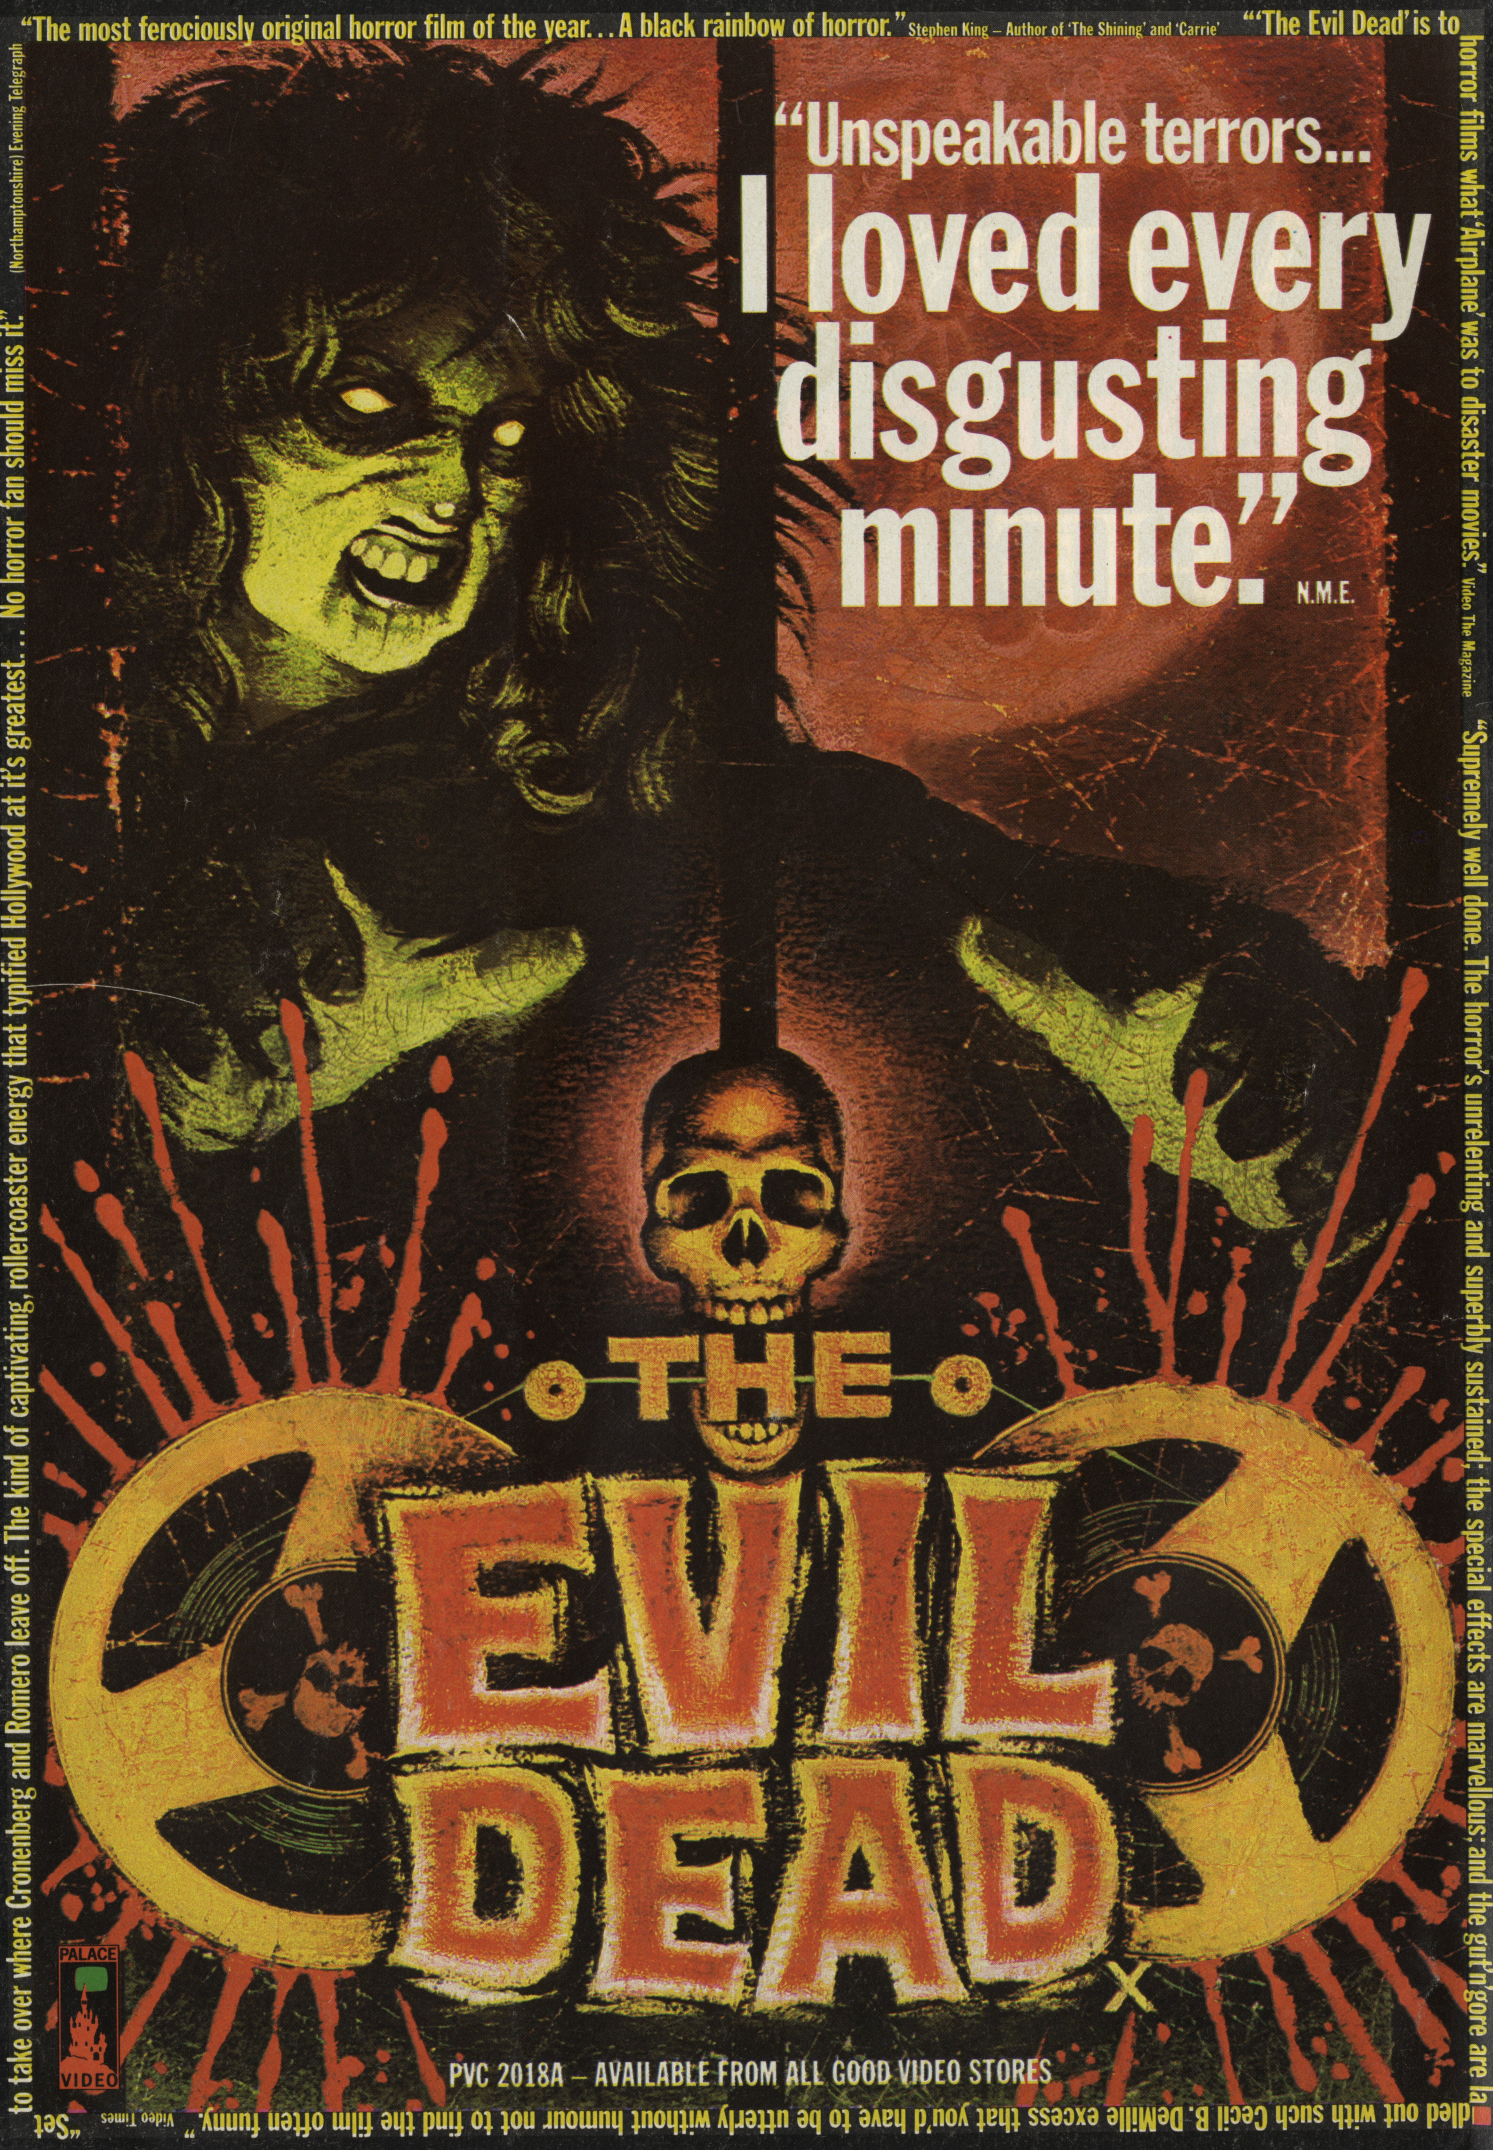

"Unspeakable terrors... I loved every disgusting minute." N.M.E.

THE EVIL DEAD

Set out with such Cecil B. DeMille excess that you'd have to be utterly without humour not to find the film often funny. Video Times

PVC 2018A — AVAILABLE FROM ALL GOOD VIDEO STORES

Supremely well done. The horror's unrelenting and superbly sustained; the special effects are marvellous; and the guff 'gore' are la
