ARMY of DARKNESS¹⁵

THE MEDIEVAL DEAD

It is a time of great evil. Frightened peasants cower behind castle walls. Brave knights with earthly weapons prepare to do battle with the malevolent forces of the undead. It is a battle they know they cannot win.

The army of darkness is rising.

But as the final hour approaches, a leader appears, one from another time and another place, one with a magic entirely his own.

A bizarre conflict of man versus demon comes vividly alive in the comically cryptic 'Army of Darkness', the third in Sam Raimi's 'Evil Dead' series.
